INTERVIEW SUMMARY

Mail Stop AF
Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Honorable Sir:

During the telephone interview with Examiner Joseph Merek on April 20, 2005, the parties agreed that the final rejection would be withdrawn and a new official action with a new time period for response would be issued by the Examiner.

During the interview, the undersigned pointed out that pending claim 39 was critically not addressed in the final rejection prepared by a prior Examiner, and that German Patent Publication 19549166 was improperly referred to by the prior Examiner as it is not set out as a part of a listed rejection.
